

DESIGNING THE FUTURE

Annual Conference 2019

About the Conference

For more than 30 years, the CAPH/SNI Annual Conference has been a place for public health care system leadership, state and local officials and their staff, and representatives from advocacy organizations and foundations to gather, connect, learn, and be inspired.

The CAPH/SNI Annual Conference celebrates and informs the work being done by California's public health care systems to fulfill their essential safety net mission and mandate - to provide the right care in the right right place at the right to everyone, regardless of insurance status, ability to pay, or other circumstances, while competing in the health care marketplace.

The conference features networking and learning opportunities for attendees, and keynote sessions with guest speakers who are recognized experts from the worlds of health care practice, policy, and politics. **This year, the conference will be held December 4-6 at the Paradise Point Resort in San Diego, California.**

About Sponsorship

CAPH/SNI Annual Conference sponsors can meet and network with leaders and executives from California's 21 public health care systems, and well-regarded figures from across the state and federal health care landscape.

Sponsors are recognized and thanked for their valuable contribution to this once-a-year opportunity for those who provide care to California's most vulnerable and include complimentary registration, including attendance at our Thursday evening gala.

Depending on their level of contribution, sponsors can also enjoy high-visibility recognition at the conference events, exhibitor tables, access to a hospitality suite for small group meetings and presentations, executive introductions facilitated by a liaison from CAPH/SNI staff, as well as speaking opportunities.

There are five different levels of sponsorship available: platinum, gold, silver, bronze, and emerald. **For more information, please contact Erica Fornshell at efornshell@caph.org or (510) 874-3406.**
