

**California's 21 public health care systems provide a range of comprehensive services, including primary care, outpatient specialty care, emergency and inpatient services, rehabilitative services, and in some instances, long-term care.**

**PUBLIC HEALTH CARE SYSTEMS CARE FOR A DIVERSE PATIENT POPULATION**

Nearly **60%** of patients identify as persons of color

**37%** of patients identify as Hispanic or Latino

**THOUGH ACCOUNTING FOR JUST 6% OF HOSPITALS IN THE STATE, THESE PUBLIC HEALTH CARE SYSTEMS:**

- Serve more than 3.7 million patients annually, a 30% increase since 2014
- Operate in 15 counties where more than 80% of the State's population lives
- Provide over 40% of all hospital care to the remaining uninsured in California
- Provide nearly 40% of all hospital care to Medicaid (Medi-Cal) beneficiaries in the communities they serve
- Operate over half of all California's top-level trauma and burn centers
- Provide over 10 million outpatient visits each year
- Operate more than 200 outpatient clinic facilities
- Employ nearly 90,000 individuals
- Train half of all new doctors in hospitals across the state

**SERVING PATIENTS WITH SOCIAL NEEDS IN PUBLIC HEALTH CARE SYSTEM COMMUNITIES:**

**131,000** individuals experiencing homelessness

**3.1 million** individuals experiencing food insecurity

**3.8 million** individuals who live below the federal poverty line

**2.3 million** individuals who remain uninsured

## CAPH Members

The California Association of Public Hospitals and Health Systems (CAPH) represents California's 21 public health care systems, which include county-affiliated facilities and University of California medical centers, forming the core of the state's health care safety net.

Ventura County Health Care Agency:

- Ventura County Medical Center

### University of California (UC)

UC Health:

- UC Davis Health
- UCI Health
- UC San Diego Health
- UCSF Health
- UCLA Health

## About CAPH

As a non-profit trade organization, CAPH works to strengthen the capacity of its members to advance community health, ensure access to comprehensive, high-quality, culturally sensitive health care services for all Californians, and educate the next generation of health care professionals.

## Our Mission

For over 30 years, CAPH has passionately believed that everyone deserves an equal opportunity to enjoy good health – regardless of insurance status or ability to pay – and this belief is what drives our policy and advocacy agenda.
