

About the Conference

For more than 30 years, the CAPH/SNI Annual Conference has been a place for public health care systems leadership, state and local officials and their staff, and representatives from advocacy organizations and foundations to gather, learn, and be inspired.

The CAPH/SNI Annual Conference celebrates and informs the work being done by California’s public health care systems to fulfill their essential safety net mission and mandate – to provide the right care to everyone, regardless of insurance status, ability to pay, or other circumstances, while competing in the health care marketplace.

The conference features learning and engagement opportunities for attendees, with keynote speakers who are recognized as experts from the worlds of health care practice, policy, and politics. **This year, the conference will be held December 6-8, at the [Hyatt Regency in Long Beach, CA.](#)**
