

Jonathan Fisher, MD, FACC, is a practicing cardiologist, physician well-being leader, and author of the award-winning *Just One Heart: A Cardiologist's Guide to Healing, Health, and Happiness*, endorsed by former U.S. Surgeon General Richard Carmona, Arianna Huffington, and Dean Ornish. A physician executive at a large nonprofit health system, he speaks and writes about the connections among heart health, emotional well-being, and leadership under pressure. He co-hosts the *Fixing Healthcare* podcast with Dr. Robert Pearl, co-founded the Ending Clinician Burnout Global Community, and has been recognized as a LinkedIn Top Voice in healthcare. He lives in Charlotte, North Carolina, with his family.
